News notes

A car window was reported broken March 26 at 9 Old Post, Boulder Hill. Damage was estimated at \$100.

Stereo speakers and a radar detector, valued at \$220, were reported stolen March 37 from a car parked at 135 Braeburn, Boulder Hill. About \$100 damage was done to the car's window.

Stereo equipment valued at \$255 was reported stolen from a car parked at 10 Shore Dr., Oswego, on March 27.

The high winds during last Wednesday's storm apparently caused a tree to fall on a house at 24 Greenbriar, Boulder Hill. Sheriff's Police said that no one was home at the time and that the roof and interior walls were damaged.

Sheriff's Police were called to investigate a report of dumping on Oswegoland Park District property just off Sundown Lane, Oswego. Police were told that an 18 wheel dump truck (which may have been over the 12,000 pound load limit the road is posted for) entered the property and dumped a load of wood ash, wood particles, metal pipes and roof shingles on Friday.
